Asthall Manor

For over 45 years, The Resurgence Trust has been at the heart of earth, art and spirit. It has been publishing *Resurgence* magazine six times a year and has now merged with the *Ecologist* to become *Resurgence & Ecologist*, which is edited by former Jain monk Satish Kumar. The story of this extraordinary magazine will be on display in words and pictures at the Ballroom, Asthall Manor, Oxfordshire from 22 June 2013.

The exhibition will be opened on 22 June at 6pm, when Satish Kumar will give a talk at Asthall Manor entitled ‘Resurgence 45 – Journey of Joy’. The evening will include a Q&A with Satish Kumar. The talk is free and open to all.

Satish Kumar says: “We are honoured to have our story on display at Asthall Manor. I have edited *Resurgence*, now *Resurgence & Ecologist*, for 40 years. The exhibition tells an important story of the last four decades of the ecology movement and our place within it.”

Entrance to the exhibition and Satish Kumar’s talk is free. For further information, please visit www.asthallmanor.com.
