### *Regular Subscribers Please Note*

*This special enlarged issue is Vol. 3, No. 9 & 10, Nov./Dec. 1971, and thus restores normal serialization consequent upon the non-appearance of the May/June issue of this year. Note too, the terrible increase in price to 25p per issue. The fact is, Resurgence is on the rocks. Print costs are soaring, postage is upping and even trifles like envelopes begin to press...*

*Back Numbers: Some are out of print and if you want to complete your set we need to photostat them for you at a price; some there are of which we still have middling stocks, enough to cope with foreseeable orders from libraries and others who have a need to keep tracks, but of some we have very plentiful stocks indeed, especially*

Vol. 2 No. 6. March/April 1969. Articles by Vinoba, Ronald Sampson and Anne Vogel, with an editorial on the Industrial Relations Bill.

Vol. 3 No. 3. Sept/Oct 1970. Feature on The End Of The American Dream, Dave Dellinger on the Chicago Conspiracy and Jimo Omo-Fadaka on African Unity.

Vol. 3 No. 5. Jan/Feb. Editorial on How To Stop Inflation, a special feature on The Indian Village Revolution by Jayaprakash Narayan, and an article on Ecological Alternatives by Michael North.

*Readers who would like free copies, singles or bulk, of the above issues for Resurgence promotion among their friends are welcome to have them for free, but please send enough bread to cover postage.*
